Subject: Tourism footage of San Pedro, CA for ABC-TV special

To Whom it May Concern in San Pedro tourism,

I am working on a special for ABC-TV and it would be great to have footage of the town sign (City of San Pedro, Welcome to San Pedro, the freeway leading into the town w/highway signs or exit signs). By chance, do any San Pedro tourism films exist from the 1990s?

Thank you for your time and help with this.

Best,
